Florian Sengtschmid

“We knew that the organisers would pull off a great show and that’s exactly what they have done. We are very excited to be here. Our partners are doing good business here and we are looking forward to a long-term relationship with Fairfest Media. Business and leisure travel is extremely important for Azerbaijan Tourism Board and BLTM is the perfect platform that enables us to tap into the Indian market for that.”

Mugdha Sinha (IAS)

Director General of India Tourism

“I think this show has huge potential, and I hope to see it grow and become India’s unicorn in the travel trade show industry. People should be vying to participate in such a show. We must all come together to make this a global travel and trade mart initiative that is home-grown. The awards that were given at the ICRT India and the Subcontinent Awards 2024 at BLTM nudge the Indian travel industry to be more and more responsible, and how to promote sustainable tourism, which is the need of the hour.”

Krishantha Fernando

General Manager, Sri Lanka Convention Bureau

“We believe in the BLTM team and how much it contributes towards the growth of the industry as a whole. BLTM has been a very successful show for us in the past, and so it was a no-brainer that we would participate in this edition as well.

Meeting the buyers in this kind of intimate platform helps us position our products much better and ensures more conversions. The Indian market is huge for us; right now the number of Indians traveling to Sri Lanka is 230,000, and we are hoping to see this grow post BLTM to at least more than 500,000.”

H.E. Mr. Seila Hul

Under Secretary of State, Ministry of
Tourism, Cambodia

“This is our first time participating in BLTM, and the Ministry of Tourism of Cambodia is very happy to be here. Cambodia is ready to welcome Indians and that’s the message we wanted to give to the Indian market through the show. The BLTM team has done a great job in bringing together so many corporate buyers and travel agents from all over the country, and we are positive that after this show, more and more Indians are going to visit Cambodia.”

Naoki Kobayashi

VP - MICE Business, JTB India
